

Join Team CLC in the 5/3 River Bank Run on Saturday May 12, 2012

Conductive Learning Center (CLC) works with children who are affected by motor disabilities such as cerebral palsy, spina bifida, traumatic brain injury & other genetic disorders. At CLC, these children, who are often severely limited in their ability to perform basic, everyday activities, learn to gain control over their movements and acquire the skills necessary to become more independent. They approach each and every day the same way that a runner approaches a big race - setting goals, training, strengthening and conditioning their bodies until they are the best that they can be. Team CLC runners and walkers will be collecting pledges on behalf of CLC, raising funds for the Champion a Child Scholarship program, enabling more children with motor disorders to "learn their way to independence". All Team CLC sponsorships are eligible to be matched by an Art Van Million Dollar Charity Challenge grant awarded to CLC. Please help us take full advantage of this amazing and generous \$15,000 matching opportunity!
