A N E V E N I N G O F CELEBRATION

OCTOBER 10, 2017 | WATERMARK COUNTRY CLUB

Change children's lives by helping
them reach their greatest potential

Please sponsor *An Evening of Celebration*.

The Conductive Learning Center's *An Evening of Celebration* will be held Tuesday, October 10, 2017 at Watermark Country Club. This fun-filled evening will celebrate the mission of the Conductive Learning Center and includes dinner, libations, a live auction featuring "chance of a lifetime" experiences, and more. Mark your calendar now and come enjoy this inspiring event.

Mission: To provide opportunities for preschool and school age children with motor challenges to achieve optimal physical, cognitive, and social independence through the application and promotion of Conductive Education principles.

Goal: Our goal is for every student to become confident, active, and self-reliant, moving closer to their life goals and achieving a maximum level of independence. "From the moment we walked through the door our daughter was accepted as a perfect individual capable of achieving everything and anything she ever would want to in life," says Jenny White, parent of CLC student Laney, age 5.

CLC: The Conductive Learning Center (CLC) is a dynamic organization that continues to expand its presence as a leading provider of Conductive Education in North America. CLC was established in 1999 to provide learning and development programs for children with motor challenges. CLC serves as the lab school experience for this program.
